Digital Delivery Policy for iTagDigital

At iTagDigital, we're committed to providing our customers with seamless and efficient access to our range of services and digital products. To ensure clarity and satisfaction, we've outlined our Digital Delivery Policy below. This policy applies to all digital product downloads and online services available through our platform.

Instant Access: Upon successful completion of your purchase, you will receive instant access to the digital products or services you've selected. A link to download your product(s) or details on how to access the service(s) will be delivered directly to the email address you provided at checkout.

Email Confirmation: Please ensure that the email address you enter during checkout is accurate. We will send a confirmation email containing your order details and download link(s) immediately after purchase.

Download Limits: To protect the integrity of our digital products and services, each purchase comes with a reasonable limit on the number of downloads. This is to prevent unauthorized sharing and distribution. The specific download limit will be stated on the product page and in your confirmation email.

Access Duration: Your purchase of digital products includes lifelong access to download the files, unless otherwise specified. For subscription-based services, access will be available for the duration of your subscription term.

Technical Support: If you encounter any issues accessing or downloading your digital products, our support team is here to help. Please contact us at [support email] with your order details for assistance.

Updates: We periodically update our digital products to enhance their value and usability. You will have access to all future updates of the digital products you've purchased at no additional cost.

Refund Policy: Due to the digital nature of our products, all sales are final. We do not offer refunds once a product has been downloaded or accessed. However, we are committed to ensuring your satisfaction. If you have any concerns about your purchase, please contact us to discuss a resolution.

By purchasing from iTagDigital, you agree to this Digital Delivery Policy. We appreciate your business and look forward to providing you with high-quality digital products and services.
